

**Thank you for joining us today to celebrate the birth of Jesus, our Saviour.**

If you have been away from our Church family for awhile we would love to know why and why you came back today. Please use this sheet to tell us whatever you wish; whatever you think we ought to know so that we can know, love and serve you and you family better.

You can leave this sheet anywhere in our church when you leave but please do feel free to place it around our Christmas crib.
